

## PICTURES WANTED FOR 2010 NATIONAL CONVENTION

I need pictures of rural carrier members that have a grandparent, parent or family relative that was/is also a rural carrier.

I need the picture along with who they are and who they are related too.

For Example:

I am a rural carrier in WA State and my mother was also a rural carrier in WA state (in fact, same office).

I need this for the media committee this year at national convention, so if they would E mail the picture to me at [rebeccawen@icehouse.net](mailto:rebeccawen@icehouse.net) (highest resolution possible) or mail it to me at:
